Victoria, B. C., Jan. 28.—The steamer Annur brings news that on Jan. 22 quartz running as high as \$400 to the ton was found in the Klondike. The dogs and sleds of James Black, the last miner reported missing, have been found near Selwyn. It is thought he gave out and was lost in a snow-storm. The firm of Browning Bros. is soon erect, not only this new work shop, but will construct a new store room also. They are to build an extension from their present place of business, taking in their present machine shop. The new workshop will be connected with this. George E. Browning says that for the present the plans of the firm do not include the general manufacture of guns at the shop. The announcement was made at Dawson, Jan. 21, that all crown claims and fractions, except reservations for compensation, will be thrown open Feb. 24.

The power company yesterday continued its operations, repairing the break caused by the washout about a mile east of the power house, on its pipe line. Things were in gold shape by nightfall, but a force of men continued all night strengtheams the supports of the wood pipe. The break was not serious financially and was repaired at a cost of only about \$500.

New Promotion Plan.

New Promotion Plan.

The board of education has adopted a plan for semi-annual promotions instead of annual promotions as at present. The matter was decided at a special meeting of the board held last night. The plan was recommended by the superintendent and favored by the principal of the high school. This arrangement makes two classes enter the high school this year, although but one class will be graduated. The change will not go into effect until the next school year.
